OVER-NIGHT ASSOCIATED PRESS NEWS

MEXICANS ROB AND KILL

SAN DIEGO, Cal. — The United States custom house and postoffice, together with the general store of the Mountain Commercial Company, were burned; Frank V. Johnson, postmaster and storekeeper, was shot and killed, and Warren Wiedenback, a friend of Johnson, was probably fatally wounded when three Mexicans, believed to be Federal soldiers, yesterday made a daylight raid on the little border town of Tecate, about forty-five miles east of this city.

The American town of Tecate is on the border line, directly across from the Mexican town of Tecate, where is stationed a garrison of about two hundred Federal soldiers.

After the shooting the three men started to leave the store. As they reached the door Wiedenback attempted to reach for a rifle but the bandits saw his action and he fell pierced by several bullets. Apparently in an attempt to hide their crime the murderers then set fire to the building and departed, hurrying across the border. Other residents of the little town, attracted by the shooting and smoke, rushed to the store and dragged Wiedenback and the dead body of Johnson from the building but were unable to save the structure from destruction by the flames.

GALE UNROOFS HOUSES.

QUEENSTOWN, Eng. — A severe gale swept this port Saturday, causing heavy damage to property and shipping. The roofs of more than 100 houses were ripped off and scattered over the residence districts. The Cunard liner Andania from Boston, after having been delayed in the inner harbor for several hours, was compelled to proceed to Liverpool without landing its passengers.

DOROTHY ARNOLD IS AGAIN REPORTED FOUND

THAW WANTS TO GET OUT.

CONCORD, N. H. — Harry Kendall Thaw Saturday addressed an appeal to the people of the state of New York, which was dispatched to many newspapers and press associations, calling attention to the resolutions introduced in the New York assembly by John B. Golden, demanding that the prosecution of Thaw be terminated.

TAFT DECLINES COLLEGE PRESIDENCY

WILMINGTON, Del. — Former President William Howard Taft Saturday declined to accept the presidency of the Delaware College which was tendered to him by the governors of the school. Mr. Taft in refusing the proffer stated that he was not fitted for the post and added that he was satisfied with his present position with Yale University where he said he believed he could do more good.

CONGRATULATIONS AT WHITE HOUSE

WASHINGTON, D. C. — Congratulations by telegram and mail poured into the White house in great numbers Saturday following the announcement by President and Mrs. Wilson of the engagement of their daughter, Miss Eleanor Randolph Wilson, to William G. McAdoo, secretary of the treasury in President Wilson's cabinet. No intimation was given, however, as to when the nuptials will be celebrated.

PEOPLE IN HONOLULU ARE AMAZED

No medicine has ever caused such amazement in Honolulu as the simple mixture of buckthorn bark, glycerine, etc. known as Adler-ika. This remedy drains such surprising amounts of foul matter from the body that it is known as the most thorough bowel cleanser sold. Adler-ika acts on BOTH the upper and lower bowel and JUST ONE DOSE relieves constipation and gas on the stomach almost IMMEDIATELY. The Hollister Drug Company—advertisement.

FATAL TRAIN WRECK.

ST. PAUL, Minn. — One woman was killed and 35 passengers were injured, several fatally, Saturday when a Chicago, St. Paul, Minneapolis & Omaha railroad train went into the ditch near Mendota. The wreck was caused by a broken rail.

TIDAL WAVE KILLS HUNDREDS.

EKATERINODAR, Russia. — More than a thousand persons are known to have perished in the inundation of the towns of Stanitz and Ashtyrakaja by a tidal wave from the Sea of Azov, a northern arm of the Black sea. The wave came without warning, and gave the residents of the two small towns practically no opportunity to flee from the wall of water. Every building in the towns was destroyed or badly damaged, and there is much suffering among the survivors. Scientists have not been able to explain the cause of the gigantic wave, which rose so suddenly and swept over the devastated towns.

MEXICAN TRACK LABORERS CHARGED WITH ROBBERY
